My Dear Girl:

I just feel like writing you a good old fashioned letter again tonight, feel that I am in civilization again & Oh: you can't imagine how good it seems.

Alex & Ray came down tonight & helped me balance the books & rather we all tried to get them balanced, but I was \$60 long out just couldn't find it at all. I have had too much money every day this week & I hope it doesn't reverse the coming week.

Dear I have had a world of experience

The past week and I
don't know whether
to say I like it or not
for they certainly expect
everything of me and
the questions they ask
are too numerous to
ask & now I have given
them an answer to
all of them, some of which
I knew nothing at
all about. Next the
worst of all is the
place I have to stay.
I don't know one can tell. I see
a little 4x6 room, I suppose
one has to go out in the
hall to change their
mind & positively
nothing to Eastland

not be any worse than
it is. & the money placed
in Town and can stay

I think the 12th opportunity
I get I'll just run the
house & do my own
cooking until my girl
is ready to come, but
the directors of the Bank
are all nice fellows
& I am sure they
are going to do all
they can to help me.

I am going to
have breakfast with
Alex & Ethel and spend
the morning with Alex
& Ray. They are both
so good to help me. Ray
is just as willing to

Alex.

Say girl it is just impossible for me to figure out a 2nd arrowrock. Simply can't do it, but if my girl will visit me in K.C. I can come any Sunday. I am going to stay right with this Bank & just do the best possible for I feel there is something better in the near future if I make good down there.

Just visit me any time. Sincerely

Albert
