Dear sweetheart:

I just have a few min. before i go to supper so i
a m
am going to tell my girl that was a mig ty good letter i got
today.

Say we are about to have a little grief right on the
start, it is the general talk here today that the merchant is
going to take the bankrupt law in a day or so, and we have \$80000
of his paper but we are going to say nothing but tomorrow night
we are going to try and get some security, before it is too late.

Girl i am just wondering if i will get an answer to sunday
letter tomorrow, iam very anxious to know if you can come to
K.C. It is most too dark so goodnight.

Albert.
